

1894-023 Chancery Causes: Adms. of Andrew Baumgardner vs. Robert L. Wynn & Lee Co.

Jones, Sampson, Collier, Hurst

CA - Debt  
T - Property

To the Hon. H. S. K. Morrison Judge of  
the Circuit Court for Lee Co., Va.

Humbly complaining, your ora-  
tors, Frank P. Baumgardner and A. L. Rus-  
sell administrators of the estate of  
Andrew Baumgardner dec'd. for them-  
selves and all others alike interested,  
would respectfully represent unto your  
honor that sometime about the day of  
1888, Andrew Baumgardner  
departed this life intestate; that your  
orators in the County Court of Lee County,  
Virginia at the term thereof for  
1888 were appointed and duly qualified  
as the administrators of the said Andrew  
Baumgardner, and by virtue thereof proceed-  
ed to take possession of and administer  
his estate. An office copy of the grant  
of letters of administrators to your orators  
(marked A) is herewith exhibited as a part  
of this bill.

Your orators charge and allege  
that on the 24 day of December, A. D. 1888  
one Josiah Hyman made, executed and  
delivered his certain note or bond for  
\$355. <sup>59</sup>/<sub>100</sub> to said Andrew Baumgardner

due and payable one day after date  
and violating the Homestead Law as to  
the payment of said debt; that at the  
time of said Andrew's death said Josi-  
ah Hymn had not paid said \$355.59  
to said Andrew, nor any part of the  
same; and that after said Andrew's  
death, to wit: on the 6<sup>th</sup> day of August,  
1889 said Josiah paid your orator's  
on said bond \$184.61 which sum is  
credited on said bond.

Your orator will again aver and  
allege that said Josiah Hymn on  
the day of 1890 departed  
this life intestate; that up to the time  
of his death he had not paid your  
<sup>nor either of them</sup>  
orators the amount of said bonds;  
that the same were then due sub-  
ject to said credit; that on the  
day of 1891 one Robt.

L. Hymn in the county court of  
Lin County, Mo. was by said court  
appointed and duly qualified as  
the administrator of said Josiah  
Hymn dec'd. That said Josiah  
Hymn departed this life seized  
and possessed of a real estate worth

perhaps \$2000<sup>00</sup> and a small personal  
estate, the amount of which personal  
estate your orators are not advising,  
but at any rate they are informing  
and charge that the personal estate  
of said Josiah is largely insufficient  
to pay off his indebtedness, for he  
was not only indebted to your orators  
as a debt. as aforesaid, but to many  
other persons also; and that said R. L.  
Hymn since his appointment as  
admr. of said Josiah Hymn has not  
paid your orators, or either of them,  
the said balance on said bond, &  
that the same is still due your  
orators as debt or aforesaid.

Your orators will again aver  
and allege that both the personal  
real estate of which said Josiah  
did die and possessed are  
assets for the payment of his  
debts and <sup>all</sup> lawful demands against  
his estate, and that your orators  
and all other <sup>creditors</sup>  
are entitled to have the payment  
of their debt out of his said  
estate.

Your orators will again  
aver, allege and charge that  
said Josiah on his death  
left surviving him a widow,  
Rebecca J. Hym, and a grand child,  
to wit- John Hym who was a son of  
the said Josiah and nine children  
to wit- Mollie who married and is  
now the wife of James M. Jones, Alice  
who married the said Sampson, Leticia  
Hym<sup>3</sup>, Emma Hym<sup>4</sup>, The said Robt  
L. Hym<sup>5</sup>, Dolly Hym<sup>6</sup>, Silas Hym<sup>7</sup>,  
Abner Hym<sup>8</sup> & Pearl Hym<sup>9</sup>, to whom  
said real estate descended sub-  
ject to said Widow's dower and  
the payment of said Josiah Hym's  
debts & legal demands; That- Pearl  
John<sup>2</sup>, Silas<sup>3</sup>, Emma<sup>4</sup>, Dolly<sup>5</sup> and  
Abner Hym and Leticia  
Hym and Alice Sampson are  
infants under the age of 21  
years of age; That an appli-  
cation has been made in the  
county court of said county by  
Robt L. Hym, one of said Josiah  
himself, to have dower assigned

to said widow out of the real  
estate of said Josiah, and an  
order has been made in said  
court appointing commissioners for  
that purpose, but your orators  
are advised that as yet said  
commissioners have not assigned said  
widow <sup>her</sup> dower.

Your orators will again aver  
and allege that the real estate of  
said Josiah lies in Lincoln County  
on the main road leading from  
Janesville to Long Hollow and  
is the same which he acquired  
<sup>his father</sup> from Josiah Hyman by deed and  
adjoins the lands of Master  
and is said to be 160 acres  
Callin; and that the rents  
and profits of said land would  
not pay his indebtedness and  
the costs of this suit in five years  
<sup>object in this bill</sup>  
Your orators is to have all  
the creditors of said Josiah Hyman  
summoned before one of your Honor's  
commissioners of accounts, to  
ascertain who his creditors are

and their priorities if any; to have  
a settlement of said administrator's  
account; to have an application  
of all personal estate that may  
be in said Robt. L. Hyman's hands,  
as admin. of said Josiah Hyman to  
the payment of said decedent's  
indebtedness; to have a decree  
adjudging your orator's said debt  
to them and the payment thereof  
out of said estate; and to have a  
sale of said decedent's real estate  
subject to said widow's dower  
therein for the purpose of paying  
off said debt due your orators as  
aforesaid as well as any other  
creditors debt against the said  
estate of said Josiah Hyman.

The premises aforesaid con-  
sidered, your orators are advised  
that they are remediless save in  
a court of equity, hence their  
prayer is that Rebecca J. Hyman  
Robt. L. Hyman and the same Robt. L.  
Hyman as admin. of the said Josiah  
Hyman, James M. Jones, Mollie Jones  
J<sup>r</sup> Lonspean, Alice Lonspean, Julia

Hyman, Emma Hyman, Sally Hyman  
Silas Hyman<sup>10</sup>, Auburn Hyman<sup>11</sup>, Pearl  
Hyman<sup>12</sup> and John Hyman<sup>13</sup> be made parties  
defendants to this bill of complaint  
and be required severally to answer the same  
on oath as fully and completely as if  
each of them had been thereunto specially  
interrogated; and that a guardian ad litem  
be assigned to defend and protect said in-  
fants' interest in this cause.

And your orators will further pray  
that an order of publication be made  
against James W. & Mollie Jones who  
are non-residents of this State; that  
said Robt. L. Hyman be required to render  
a true and full account of his acts and  
doings as admr. of said Josiah  
Hyman decd; that the creditors of said  
decdent be convened and his assets  
marshalled and applied to the payment  
of his indebtedness; that your  
orators be decreed the payment  
of this said bond out of said estate;  
and that such further and general relief  
be granted your orators as the nature  
of this cause and good conscience

Your undersigned Special Commissioner in the above styled Cause, respectfully reports, that after advertising and giving notice as required by the decree entered in this Cause April 2<sup>nd</sup> 1891, I proceeded on the 20<sup>th</sup> day of July and succeeding days - to perform the duties assigned me in said decree -

And as will be seen by statement herewith filed marked X I have partially stated the Administration account of R. L. Myran as Admr of the Estate of Josiah Myran dec'd.

I charge said Admr, with Sale Bill "A", which will be due and payable January 23<sup>rd</sup> 1892, and amount to the sum of \$280.56.

which is all that is properly chargeable to said Admr. But I am informed by said Admr that he will receive something like \$120.<sup>00</sup>, from rents for year 1891, which I list as against said Admr. I have given him credit for 10% Commission, and for vouchers 1 & 2, and for several small claims, Dr. Bills, Coffins and funeral expenses generally, resulting in showing after charging him with amt. for rents, that there will be in his hands the sum of \$190.<sup>00</sup> to be paid on debts, a list of which is herewith filed marked (X Y) no one debt has any priority over the other so far as your Comm. has been able to determine.

1 & 1, is the bal of the note sued on in this cause and amounts including interest on the 23<sup>rd</sup> July 1892 to the sum of \$276.38, The reason I compute interest down to July 23<sup>rd</sup> 1892, is because the sale money becomes due on this date. 2 & 1, Is a note due Morgan & Armstrong Bankers, secured,

by Wm. D. Wood who is paying interest on said note as it matures, hence I only list the principal of said note which is \$677.35. 3X1 is two notes and an account due W.D. Wood and amount in the aggregate including interest on the said 23<sup>d</sup> January 1892, to the sum of \$258.78:4X1, is an account proven to remain unpaid to R. L. Myer, and amounts on the said 23<sup>d</sup> January 1892. to \$64.50. 5X1, is a note executed by Josiah Myer in his life time to Dr. S. E. Shelburn and assigned by him to M. C. Parsons which amounts on said 23<sup>d</sup> January 1892 to the sum of \$24.60, and the entire debts report amount to \$1301.61, from which I take the supposed amount of personal assets which is likely to be in the Administrators hands after payment by him of the small debts as listed, leaving the sum of \$1111.61, as the amount, which will have to be paid by the sale of

real Estate.

Your Commissioner assisted in laying off dower to the widow, and in that way had occasion to look over the land owned by the decedent, and without the expense of depositions as to the rental value thereof, arrives at the conclusion that after the dower is taken off, the remainder of said land will not in five years rent for a sum sufficient to pay off the debts listed, hence a sale of the land will have to take place in order to pay off said indebtedness.

The Admr. R. L. Hyman (the oldest son) and all others interested admit this fact, and the sooner the same takes place the better it will be for all parties.

Respectfully submitted

To the Hon. Wm. T. Miller Judge of the circuit court of the County of Lee:

The undersigned special Commissioner in the case of Bumgardner and Russell admrs., vs. R. L. Wynn, Admrs et al., by a decree entered in your honorable court <sup>on the 15<sup>th</sup> day of June, 1894</sup> was appointed to take, state and ascertain the administration account of R. L. Wynn admr. of the estate of R. L. Wynn deceased, and he was further directed to ascertain if any of the heirs of the said Wynn deceased had been advanced any thing in the life time of the said Wynn.

As to the first direction of the said Court, the undersigned does not attempt to take the said administration account, as the same has been hertofore taken by Commissioner Hyatt, filed in the papers of the said case and to which reference is here made. The undersigned would have taken the said statement of the administrator over again, but owing to the small sum that yet remained to be paid, and owing to the cost that it would be to restate the same the undersigned refers to the said report of the said Hyatt.

The undersigned was further directed to ascertain whether or not the said Wynn deceased had in his life time advanced any of his heirs, and the undersigned has proceeded ~~as~~ directed in the said order of your court to ascertain that fact as best he could, and after taking the sworn statements of some of the parties, the undersigned does not in his humble opinion, believe that there ever was any thing given to the said Wynn's children by him which was intended to be an advancement. <sup>in law</sup> It is true that a few little frivolous things were given to some of the children when they married and left home, such as a calf, a hog, a colt a bed or something which in the opinion of the undersigned was never intended as an advancement to the parties, but merely a gift. Before proceeding to execute the said order of your court the undersigned gave the parties notice that he would proceed

to execute the said order of the said court more than ten days before the time which he fixed to execute the same, which was the 14th day of September, 1894, and the proceedings being adjourned from time to time and at length completed the result of the said investigation is as above set forth. *Respectfully submitted*

*Mtth 8* - This Oct 23, 1894.

To the Hon<sup>ble</sup> J. S. H. Morrison  
Judge of the Circuit Court for the Co.,

Your undersigned special  
comr. in the above styled cause,  
begs leave to report, that after des-  
tining the time, terms and place of  
sale of the land in the bill and proceed-  
ings mentioned, in the manner required  
by a decree of your honor's court en-  
tered at the Sept. (1891) term thereof  
on the second day of Nov., 1891, that-  
being a court day, at the front  
door of the Court house of the Co. in the  
presence of a large crowd of people  
he offered a portion of said <sup>land</sup> to the  
highest bidder, that is, that part  
thereof not covered by the widow  
dower, but he could get no  
bid on the same; he then offered  
the whole of said tract of land  
subject to the rights, (or dower)  
of said widow, and after crying  
the same some time he knocked  
it down to M. C. Parsons  
who was the best and highest bi-  
dder for the sum of \$1405<sup>00</sup>,  
who paid same comr. The sum of  
\$102.20 the costs & commissions  
of sale and for the residue he  
executed his note payable in  
six, 12 & 18 months. Said notes are

here filed with this report, and made  
a part thereof. Said decree directed  
only enough of said land to be sold  
to pay the indebtedness of said  
estate and the costs of this suit.  
According to Comm. Hyatt's report  
\$1213.81 would pay said indebted-  
ness and said costs. So the whole  
of said land sold for \$191.19 more than  
enough to pay off said sums. While  
this is the case, it seems, that said  
sale ought to be confirmed, because  
no one would at the sale bid  
for a part of said land.

All of which is submitted

### DEATH IN HIS FAVORITE ROBE.

began to take your "Golden Medical Discovery" she could not walk without her crutches or cane, and complained of great pain in the right limb. It wasted away, becoming small and short, and her back became very crooked. She complained all the time, had no appetite and was very weak. Most of the pain was in the hip and knee, which were very tender to the touch. At times her kidneys refused to act.

Four months ago I began giving her your "Discovery" and it has done her a wonderful sight of good. It has made a complete change, and she is now growing fast, and never complains of any pain or ache. She sleeps well, and eats heartily. Her leg has filled up, and is as big as the other. She plays and runs all day with the other children, and does not seem to be much tired at night. Every body is astonished to see how fast she has improved. Your medicine did her more good than all the other remedies she has ever taken. She has gained more this summer in one month than she had for years before. I have recommended the "Discovery" to all the suffering people here. You do not know of the w

certain easily-recognized diseases. These medicines have for years been very largely sold through druggists, and have earned great and world-wide celebrity for their many and wonderful cures. But we do not adopt the humbug plan of representing that they will cure all diseases.

There are many chronic diseases for which we do not recommend any of our proprietary medicines, and which, as we know from vast experience, can only be successfully treated by specially preparing and adapting medicines to each individual case. Our practice embraces the treatment of many thousands of such cases annually, and it is more especially the complicated, obstinate, and difficult cases, and those requiring skillful surgical operations, in which we have won our greatest success and wide-spread celebrity.

## Not necessary to see Patients.

By our original system of diagnosis, we can treat many chronic diseases just as successfully without as with a personal consultation. While we are always glad to see our patients, and become acquainted with them, show them our institution, and acquaint them with our system of treatment, yet we have never seen one person in five hundred whom we have cured. The perfect *accuracy* with which scientists are enabled to deduce the most minute particulars in their several departments, appears almost miraculous, if we view it in the light of the early ages. Take, for example, the electro-magnetic telegraph, the greatest invention of the

of maladies that can be logically and demonstratively traced to their primary and real causes should not be cured by the application of remedies known to remove such causes. Briefly to recapitulate, it has been shown how biliary poisons, which in health are removed from the blood and system through the functions of the liver, when not so removed, by their pernicious operation on the living tissues, produce a great variety of distressing symptoms, innumerable skin diseases, ulcers, scrofulous sores and swellings, and lingering and grave lung diseases, consumption, heart and kidney diseases, dyspepsia, costiveness, ague, chills and fever, and many other serious affections. All these several divisions of maladies are many times treated as if entirely unlike in their nature and demanding different classes of remedies, according to the peculiar theory of the "school" or individual practitioner. The writer, nevertheless, confidently asserts, as the results of his observations, that all the diseases named in this article can be most successfully treated, by uniform means addressed to the liver, and he bases this opinion upon long experience as consulting physician to the largest sanitarium in the world, and stakes his reputation as a physician upon the assertion that these diseases can and are cured by a potent alterative or blood-purifier and liver invigorator.

THE ORIGIN  
OF MANY  
CHRONIC DISEASES

THEIR COMMON SENSE AND SUCCESSFUL TREATMENT.

---

The importance of the function performed by the liver, as a blood-purifying and excretory organ, can scarcely be over-estimated. The foul and poisonous matters discharged into the blood, in the form of worn-out and noxious elements, are absorbed therefrom by a healthy liver, and rendered harmless by being converted into bile. When the liver becomes congested, torpid, or otherwise diseased, it fails to perform this important function, and various diseases result.

**HEART DISEASE.** The blood, surcharged with daily accumulated poison, as the result of torpor of the liver, unduly stimulates the nerves of the heart, and produces chronic irritation, palpitation, or undue excitement of that organ, developing many forms of heart disease.

**DYSPEPSIA AND COSTIVENESS.** The stomach and bowels cannot escape becoming affected, as a direct result of liver disease, and **costiveness, piles, dropsy, dyspepsia, diarrhoea**
